Itinerary

NOTE: Accommodations vary per departure and are subject to change until tour start date; they are not final and should be used as examples only. Travellers may login to the G Adventures App to view accommodations specific to their departure.

Day 1 Belize City/Burrell Boom

Arrive at any time in Belize City and transfer to our hotel, located just near the village of Burrell Boom.

Today is arrival day so there are no activities planned. You are free to arrive at any time to the Belize City airport where you will be met and transferred to our hotel near Burrell Boom village, which is about 30 minutes from the airport.

Hotels vary greatly throughout Central America and even within Belize depending on the location. We do our best to pick comfortable accommodations, but in remote places, options can be limited. It also is important to remember that hot water shortages and power outages can be fairly common in Belize (even in upgraded hotels). We appreciate your patience and understanding that these occurrences are outside of our control.

The heat and humidity of Belize may affect you upon arrival. You may have a general sense of lethargy and/or loss of appetite. This is no cause for alarm; it is simply your body's reaction to the heat. Be sure to drink plenty of water (cold bottled water is available everywhere) and do not attempt too much in any given day.

Arrival Transfer

Belize International Airport – Burrell Boom 30m-45m

You will be met at the airport and transferred to the hotel to start your adventure.

Arrival Day and Welcome Meeting

1h

The adventure begins tonight. Feel free to explore before your welcome meeting, but make sure you're back in time to meet the group. Check for the meeting time on the welcome note at the hotel. After introductions, your CEO will review the details of your tour. Please note that normal check-in times apply at our start hotels, but you can usually store your luggage for the day if you arrive early.

Day 2 Burrell Boom

Enjoy a full day boat excursion to Lamanai—a Maya archaeological site dating from as early as 1,500 BC. Located on the wildlife-rich shores of the New River Lagoon and surrounded by dense jungle, Lamanai is one of the oldest known Maya sites in Central America. Explore the sprawling stone ruins with a local guide, and note the abundance of crocodile motifs at the site; the name “Lamanai” translates as “submerged crocodile” in the regional Maya dialect. Afterward, return to our hotel to relax at the patio bar and pool, or stroll the grounds to spot local wildlife.

Lamanai Ruins Guided Tour

Lamanai – Belize City

Lamanai is located on the shore of the New River Lagoon and is one of the largest Mayan ceremonial site within the region. Lamanai translates as “submerged crocodile” in ancient Mayan, and the site was occupied as early as 1500 BC. The onsite museum has interesting artifacts on display.

Day 3 Burrell Boom/San Ignacio

This morning, we'll visit the Community Baboon Sanctuary, co-founded by National Geographic Grantee Dr. Robert Horwich. This community-run organization is dedicated to the conservation of the Yucatán black howler monkey, locally called a baboon. Tour the sanctuary with a guide and observe these endangered monkeys in the wild. Then head to the village of San Antonio to visit a G Adventures-supported women's cooperative. Try your hand at throwing clay in the cooperative's pottery workshop, and learn how to prepare corn tortillas using ancient Maya techniques. After lunch, continue to the bustling town of San Ignacio.

The town of San Ignacio is situated on the banks of the Macal River. It is a perfect location to visit the surrounding countryside. All activities here are optional, so the choice is yours: explore the Mayan cave of Actun Tunichil Muknal, containing relics dating back 1400 years, visit the butterfly gardens, or go tubing or canoeing through the natural limestone caves of the region.

Private Vehicle

Burrell Boom – San Ignacio 3h-4h

Settle in and scan the scenery from the convenience of a private vehicle.

Your Journeys Highlight Moment: Tortilla-Making Lesson

Corn tortillas are a staple of Belizean cuisine, and the fresher they are the better. Drop by the San Antonio Women's Cooperative for a tortilla-making lesson and demonstration. Help grind wet corn kernels on an ancient stone that's been passed down through generations to the special ladies who work here.

Then try your own hand at making perfectly round tortillas, which is harder than you may think. Afterward, enjoy the results of the group with a cup of atole, a local corn drink.

Your G for Good Moment: San Antonio Women's Cooperative visit with Pottery Class and Local Lunch

Like in many places around the world, education for women in the village of San Antonio isn't prioritized. Girls don't typically attend school beyond primary levels. So a women's cooperative was founded here, as a way for underprivileged women to earn income, learn new skills, and share centuries-old Mayan techniques and knowledge. Visit the pottery workshop, which is newly expanded with an investment from G Adventures. Meet some of the women who've found community within its walls and gain insight into the tradition of throwing pots. Try your own hand at these ancient techniques during a pottery class. Afterward, enjoy lunch together with these inspiring and unforgettable women, sampling traditional foods of the Cayo region.

Your Journeys Highlight Moment: Howler Monkey Experience

Founded by five-time National Geographic-grantee Dr. Robert Horwich, the Community Baboon Sanctuary is a conservation project that works to protect the natural habitat of the black howler monkey through community education and sustainable ecotourism practices. Go for a nature walk in the rainforest with a community guide to observe monkeys in the wild. The sanctuary also promotes the economic development of the surrounding communities through the ecotourism it brings in. Over 200 private, local landowners in seven villages, stretching over 20 square miles, have voluntarily pledged to conserve their land for the protection of the black howler monkey, resulting in an increase in the monkey population. So as part of the experience, also enjoy a cultural demonstration of rice beating and cashew roasting.

Day 6 San Ignacio/Caye Caulker

Drive back towards the coast and catch a ferry to Caye Caulker—one of the Caribbean's most beautiful cayes or islands—located along the Belize Barrier Reef. Settle into your hotel in this breezy island paradise and choose to take a walk through laid-back Caye Caulker village, home to a small but diverse community of local residents and expats.

Caye Caulker is a long thin limestone caye off the coast of Belize. Fewer than 2,000 people live here full-time – an eclectic mix of Mestizo, Maya, Garifuna, Creole, and Mennonites, along with a few hippies and retirees. The main street is a sandy pathway and people get around on foot, by bike or golf cart. Apart from eating some sensational seafood (lobster is a local specialty), the main activity is snorkelling and boating along the nearby Belize Barrier Reef.

Caye Caulker is very small and has a limited number of accommodations available. For this reason, we often use different hotels, depending on the departure and time of year. Accommodations are a bit rustic, and rooms will have ensuite, electricity and hot water, but due to the remote location, there may be occasional interruptions to these services. The stunning location and natural beauty of this off-the-beaten-track island more than make up for a few minor inconveniences.

Group Leader Description

All G Adventures group trips are accompanied by one of our group leaders, a G Adventures representative, or an expedition team. The aim of the group leader is to take the hassle out of your travels and to help you have the best trip possible. They will provide information on the places you are travelling through, offer suggestions for things to do and see, recommend great local eating venues and introduce you to our local friends. While not being guides in the traditional sense you can expect them to have a broad general knowledge of the countries visited on the trip, including historical, cultural, religious and social aspects. We also use local guides where we think more specific knowledge will add to the enjoyment of the places we are visiting- we think it's the best of both worlds.

Group Size Notes

Max 16, avg 12

Meals Included

8 breakfasts, 2 lunches, 1 dinner

Meals

Eating is a big part of traveling. Travelling with G Adventures you experience the vast array of wonderful food that is available out in the world. Generally meals are not included in the trip price when there is a choice of eating options, to give you the maximum flexibility in deciding where, what and with whom to eat. It also gives you more budgeting flexibility, though generally food is cheap. Our groups tend to eat together to enable you to taste a larger variety of dishes and enjoy each other's company. There is no obligation to do this though. Your CEO will be able to suggest favourite restaurants during your trip. Please refer to the meals included and budget information for included meals and meal budgets.

Transport

Private vehicle, water taxi, walking.

Solo Travellers

We believe single travellers should not have to pay more to travel so our group trips are designed for shared accommodation and do not involve a single supplement. Single travellers joining group trips are paired in twin or multi-share accommodation with someone of the same sex for the duration of the trip. Some of our Independent trips are designed differently and single travellers on these itineraries must pay the single trip price.

Hotels (8 nts).

My Own Room

Please note that if you have booked the "My Own Room" option for this tour, you will receive your own single room for all night stops

Spending Money

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

Money Exchange

Credit cards and debit cards are very useful for cash advances. Visa cards are the most widely accepted cards. While ATMs are widely available, there are no guarantees that your credit or debit cards will actually work in Latin America. Check with your bank. You should be aware that to purchase products or services on a credit card a fee of 5%-10% usually applies. Do not rely on credit or debit cards as your only source of money. A combination of US dollars cash and cards as backup is best. Always take more rather than less, as you don't want to spoil the trip by constantly feeling short of funds.

CURRENCY EXCHANGE TIP: Please be advised that slightly torn notes, notes that have been heavily marked or are faded may be difficult to exchange. It is best to bring notes in fairly good condition, in denominations lower than 100USD (or equivalent).

As currency exchange rates can fluctuate often we ask that you refer to the following website for daily exchange rates: www.xe.com

Emergency Fund

Please also make sure you have access to at least an additional USD \$200 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

Departure Tax

Airport tax - USD39

Departure fee when leaving Belize by land - BZ 40 or USD 20

Tipping

It is customary in Latin America to tip service providers such as waiters, at approximately 10%, depending on the service. Tipping is an expected - though not compulsory - component of your tour program and an expression of satisfaction with the persons who have assisted you on your tour. Although it may not be customary to you, it is of considerable significance to the people who will take care of you during your travels. There are several times during the trip where there is opportunity to tip the local guides or drivers we use. Recommendations for tipping drivers and local guides would range from \$5-10 USD per day depending on the quality and length of the service; ask your CEO for specific recommendations based on the circumstances and culture.

Tipping of your G Adventures Chief Experience Officer is very much appreciated. The amount is entirely a personal preference; however as a guideline \$5- 7 USD per person, per day is our recommendation in the region. However, if you felt your CEO did an especially outstanding job, any additional amount will always be welcome.

Health

Please note inoculations may be required for the country visited. It is your responsibility to consult with your travel doctor for up to date medical travel information well before departure.

You should consult your doctor for up-to-date medical travel information well before departure. We recommend that you carry a First Aid kit and hand sanitizers / antibacterial wipes as well as any personal medical requirements. Please be aware that quite often we are in remote areas and away from medical facilities, and for legal reasons our leaders are prohibited from administering any type of drug including headache tablets, antibiotics, etc. When selecting your trip please carefully read the brochure and itinerary and assess your ability to cope with our style of travel. Please refer to the Physical and Culture

Shock ratings for trip specific information. G Adventures reserves the right to exclude any traveller from all or part of a trip without refund if in the reasonable opinion of our CEO they are unable to complete the itinerary without undue risk to themselves and/or the rest of the group.

Safety and Security

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your CEO has the authority to amend or cancel any part of the trip itinerary if it is deemed necessary due to safety concerns. Your CEO will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy or explore at your leisure. While your CEO will assist you with options available in a given location please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgment when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions.

Protests and Demonstrations- Protests and demonstrations, even those that are well intended, have the potential to turn violent with no warning. Counter protests can also turn violent. Action by security forces to disperse demonstrators and protesters may occur at any time. If you are in an area where demonstrators or protesters are gathering, avoid the temptation of staying for a good photo opportunity and leave the area immediately.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards) have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s).

Swimming, including snorkeling, is always at your own risk.

We take all prudent measures in relation to your safety. For ways to further enhance your personal safety while traveling, please visit:

Trip Specific Safety

Belize City can be dangerous during the night - please ensure you use taxis. Also on Caye Caulker exercise caution and do not walk around alone at night. There have also been cases of drinks being spiked here.

A Couple of Rules

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter, and in particular the local people who make the world the special place it is. The exploitation of prostitutes is completely contrary to this philosophy. Our CEOs have the right to expel any member of the group if drugs are found in their possession or if they use prostitutes.

Travel Insurance

Travel Insurance: Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your CEO, who will take note of your insurance details. When selecting a travel insurance policy please bear in mind that all clients must have medical coverage and that we require a minimum coverage of USD 200,000 for repatriation and emergency rescue. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.
