VERY IMPORTANT: Please ensure that you print a final copy of your Trip Details to review a couple of days prior to travel, in case there have been changes that affect your plans.

## **Important Notes**

---

1. The itinerary and accommodation in both Kakadu and Litchfield National Parks vary depending on the season. We will visit slightly different attractions depending on the weather conditions.
2. Please note that this tour combines with other G Adventures tours. As such, the staff and some travel companions on your tour may have previously been traveling together with G Adventures, prior to Day 1 of your tour. Likewise, some staff and travel companions may be continuing together on another G Adventures tour, after your trip concludes.
3. Please be aware that wifi and internet access is not as readily available in Australia as in other parts of the world. There are often additional charges to connect to the internet, and speeds may be slower than what you are used to.
4. Over public holidays in Australia and New Zealand (such as Christmas, New Years Day, Easter, and Anzac Day) there may be some limitations of services and disruptions to schedules. In general our tours still operate effectively over public holidays, but there may be closures of optional activities and restaurants, and slight itinerary adjustments in order to provide all tour inclusions.

## **Group Leader Description**

---

This G Adventures group trip is accompanied by one of our group leaders, otherwise known as a Chief Experience Officer (CEO). The CEO will be the group manager, leader and driver - this person is experienced in the routes travelled and will organize and lead the meal preparations and has experience in cooking a variety of local and international dishes for large groups.

As the group coordinator and manager, the aim of the CEO is to take the hassle out of your travels and to help you have the best trip possible. While not being guides in the traditional sense, you can expect them to have a broad general knowledge of the countries visited on the trip, including historical, cultural, religious and social aspects. They will also offer suggestions for things to do and to see, recommend great local eating venues and introduce you to our local friends.

We also use local guides where we think more specific knowledge will add to the enjoyment of the places we are visiting - we think it's the best of both worlds.

## Group Size Notes

---

Max 20, avg 16

## Meals Included

---

4 breakfasts, 4 lunches, 2 dinners

## Meals

---

Eating is a big part of traveling. Travelling with G Adventures you experience the vast array of wonderful food that is available out in the world. Generally meals are not included in the trip price when there is a choice of eating options, to give you the maximum flexibility in deciding where, what and with whom to eat. It also gives you more budgeting flexibility, though generally food is cheap. Our groups tend to eat together to enable you to taste a larger variety of dishes and enjoy each other's company. There is no obligation to do this though. Your CEO will be able to suggest favourite restaurants during your trip.

Please note that most included breakfasts will consist of cereal, milk, bread and spreads, juice, tea and instant coffee. Having a simple breakfast together most days allows us the flexibility to get on the road early and get from point A to B all that much faster.

## Transport

---

Private vehicle, 4x4, boat

## About our Transportation

---

Our vans are mini-coaches. Occasionally with smaller group sizes we will use smaller, equally comfortable 13 seater vehicles. All Mini Coaches tow a trailer for luggage and camping equipment (when needed). All groups have one CEO/Driver.

The vehicles are factory built, with comfortable seats and air-conditioning. They are fitted with seat belts and it is mandatory to wear them.

## Solo Travellers

---

We believe solo travellers should not have to pay more to travel so our group trips are designed for shared accommodation and do not involve a single supplement. Single travellers joining group trips are paired in twin or multi-share accommodation with someone of the same sex for the duration of the trip. Some of our Independent trips are designed differently and solo travellers on these itineraries must pay the single trip price.

## Accommodation

---

Hostels (2 nts, multi-share), swag camping (3 nts)

## About Accommodation

---

Accommodation will be varied throughout your adventure. When camping on this tour, you will be provided with an Aussie 'swag'—a canvas bedroll with built-in padding and perfect for a night under the stars. Towels and soap are not always provided at overnight stops, so it's best to bring your own for bathing. Bathroom and showering facilities are shared and are very rarely en-suite.

Multi-share accommodation, on a single-sex basis (typically 4-6 people per room), is very common in Australia and is the way you will be spending most of your nights. We have specifically chosen unique accommodations to give local flavour to your trip.

**COUPLES:** Please note that due to the types of accommodation used in Australia, couples will likely be split into separate rooms where we use multi-share hostels. Pending availability, couples may be able to pay extra while on tour to have their own room in some destinations.

**PRE/POST ACCOMMODATION:** If booking additional nights before or after your tour, accommodation will be multi-share on a mixed gender basis.

## Joining Hotel

---

For details of your joining hotel please refer to your tour voucher, G Account, the G Adventures App or contact your travel agent.

## Joining Instructions

---

Alice Springs Airport is located just 15km from the city.

A taxi from the airport is approximately \$25-30AUD and takes roughly 10-15 minutes to get to the joining hotel.

A shuttle bus is also available for transport from the airport to your hotel. Cost is \$16 per person on the 'Alice Wanderer' shuttle bus. Meet outside the terminal. For pre-bookings from within Australia, call 1-800-722-111 or book online at <http://www.alicewanderer.com.au/32-alice-springs-airport-transfer-shuttle.html>

Please note that Day 1 is an arrival day and no activities have been planned for that day other than your welcome meeting in the evening, so you can arrive at any time.

Your CEO will organize a short meeting soon after arrival, during which you will meet other tour participants and receive information about general and specific aspects of the trip. A welcome note will be left for you in the hotel so you have all the necessary information regarding the meeting time. If you arrive late, s/he will leave you a message detailing what time and where you should meet the next morning.

## Arrival Complications

---

We don't expect any problems, and nor should you, but if for any reason you are unable to commence your trip as scheduled, please refer to the emergency contact details provided in this dossier and contact us as soon as possible. If you have a pre-booked transfer, and you have not made contact with our representative within 30 minutes of clearing customs and immigration, we recommend that you make your own way to the Starting Point hotel, following the Joining Instructions. Please apply to your travel agent on your return for a refund of the transfer cost if this occurs.

## Emergency Contact

---

Should you need to contact G Adventures during a situation of dire need, it is best to first call our local office in Melbourne. If for any reason you do not receive an immediate answer, please leave a detailed message and contact information, so we may return your call and assist you as soon as possible.

## What to Take

---

You will be on the move a lot, so our advice is to pack as lightly as possible.

We recommend using a backpack for your convenience, or a medium-sized suitcase if you prefer. Heavy luggage is not recommended for the health of the CEO, who will take a lead in loading the storage trailer. Due to space in the trailer, we will not be able to accommodate more than one piece of main luggage per person. A good size day-pack (20-35L) is also essential to carry your personal gear for the day, as access to luggage between destinations will be limited. This daypack will be used to carry your personal gear for the day, your lunch and a water bottle.

## Visas and Entry Requirements

---

All countries require a valid passport (with a minimum 6 months validity). Contact your local embassy or consulate for the most up-to-date visa requirements, or see your travel agent. It is your own responsibility to have the correct travel documentation. Visa requirements for your trip will vary depending on where you are from and where you are going. We keep the following information up to date as far as possible, but rules do change and sometimes without warning. While we provide the following information in good faith, it is vital that you check the information yourself and understand that you are fully responsible for your own visa requirements.

Visa information specific to your destination and nationality can be found in our Important Pre-Departure Information page [here](#)

## Spending Money

---

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

## Money Exchange

---

The Australian currency is the Australian Dollar (AUD).

Credit cards are accepted almost everywhere in Australia and can be used to purchase small and large items. When purchasing products or services with a foreign credit card you may be charged additional fees by your credit card company for foreign purchases.

Credit cards and debit cards are very useful for cash advances but you must remember to bring your PIN number (be aware that many ATM machines only accept 4-digit PINs). Both Cirrus and Plus system cards are the most widely accepted debit cards. Both Visa and Master Cards are the most widely accepted credit cards. While ATMs are commonly available, there are no guarantees that your credit or debit cards will actually work check with your bank before you travel. A visit to an ATM can be arranged on Day 1 and other days of the trip.

Do not rely on credit or debit cards as your only source of money. A combination of local currency (preferably smaller bills, 5's, 10's and 20's), traveller's cheques and credit cards is best. Currency exchange is best obtained prior to travel or at the airport, currency exchange is easy to find in Australia in the gateway cities and most banks do accommodate.

Always take more rather than less, as you don't want to spoil the trip by constantly feeling short of funds.

As currency exchange rates can fluctuate often we ask that you refer to the following website for daily exchange rates: [www.xe.com](http://www.xe.com)

## **Emergency Fund**

---

Please also make sure you have access to at least an additional USD \$200 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

## **Tipping**

---

It is not customary in New Zealand or Australia to tip service providers, but if you do experience outstanding service it is good to do so. Such service would only usually be in places like quality restaurants and it would be very rare that you would tip more than 10%. Unless specifically asked to do so at the time (by your CEO) - do not tip your local guides. Also at the end of each trip if you felt your G Adventures Chief Experience Officer did an outstanding job, you may consider a small tip - but it certainly isn't expected.

## **Optional Activities**

---

Alice Springs

- Alice Springs Desert Park (25-40AUD per person)
- Alice Springs Hot Air Ballooning (305AUD per person)
- Royal Flying Doctors Service Museum Visit (16AUD per person)

## **Safety and Security**

---

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your group leader has the authority to amend or cancel any part of the trip itinerary if it deemed necessary, due to safety concerns. Your Chief Experience Officer (CEO) will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy and explore at your leisure. While your CEO will assist you with options available in a given location, please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgement when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards), have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s).

Swimming, including snorkeling, is always at your own risk. [Read more about travel safety](#) for ways to further enhance your personal safety while traveling.

## **A Couple of Rules**

---

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter and in particular the local people who make the world the special place it is. The exploitation of people in the sex trade is completely contrary to this philosophy. Our CEOs have the right to expel any member of the group if drugs are found in their possession or if they utilize the services of paid sex workers, in any capacity.

## **Travel Insurance**

---

Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your leader, who will take note of your insurance details. When selecting a travel insurance policy we require that at a minimum you are covered for medical expenses including emergency evacuation and repatriation. A minimum coverage of USD200,000 is required. G Adventures can provide you with the appropriate coverage. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. Some tours include adventure activities that require extra coverage (e.g. crampon use); please review your itinerary and make sure that you are covered for all included activities. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.
