Thingvellir National Park Visit

Thingvellir

Stop at Thingvellir National Park, a UNESCO world heritage site, to see the tectonic faults created by North American and Eurasian tectonic plates shifting apart. The park was later created to protect the remains of the open-air assembly grounds.

Fed by a glacier lake, the water passing through the falls can be a dark grey depending on how much sediment gets pushed through the river.

Geysir Visit

Geysir 30m

See a variety of geothermal pools and the erupting hot spring Strokkur. Geysir is one of the oldest geysers recorded in the world, but is most often dormant. Strokkur erupts a spray of boiling hot water straight into the air about every ten minutes.

Itinerary Disclaimer

While it is our intention to adhere to the route described below, there is a certain amount of flexibility built into the itinerary and on occasion it may be necessary, or desirable to make alterations. The itinerary is brief, as we never know exactly where our journey will take us. Due to our style of travel and the regions we visit, travel can be unpredictable. The Trip Details document is a general guide to the tour and region and any mention of specific destinations or wildlife is by no means a guarantee that they will be visited or encountered. Aboard expedition trips visits to research stations depend on final permission.

Additionally, any travel times listed are approximations only and subject to vary due to local circumstances.

Itinerary Notes

Please note that due to high demand there may be limited availability when booking optional activities during the tour. Many of these can be pre-booked and we recommend that they are purchased in advance in order to secure space as they are quite popular. See the Available Extras below for details and add them in the Tour Extras section when confirming your trip.

Please also note that the weather near the Arctic Circle can be variable, especially in winter. Occasionally this will mean that we need to amend our itinerary to keep you safe. We will always endeavour to deliver a tour as close to the itinerary described as possible and ensure you see as much as possible, despite any bad weather.

Important Notes

1. The landscape of Iceland is unique and unlike most things you've seen. So is the weather. It is unpredictable and changeable, so be prepared to experience a variety of conditions during your time in Iceland. It's not uncommon to experience rain, sun, wind and snow all in the same visit, so please pack accordingly.

2. If you wish to visit the Blue Lagoon, please know that this activity must be done before or after your tour. As this activity is very popular, we recommend booking it in advance.

3. The Northern Lights are a natural phenomenon, and sightings will be dependent on weather conditions. G Adventures cannot guarantee that travellers booked on this tour will experience the Northern Lights.

4. Please note that this tour combines with other G Adventures tours. As such, the staff and some travel companions on your tour may have previously been traveling together with G Adventures, prior to Day 1 of your tour. Likewise, some staff and travel companions may be continuing together on another G Adventures tour, after your trip concludes.

5. ACCOMMODATION NOTE:

Please be aware that properties we stay in with only two stories may not have elevators installed and climbing the stairs with your luggage will be necessary.

Please also note, if the start or finish accommodation for your trip is Hotel Cabin (Reykjavík); Standard rooms will be booked for Single occupancy only (including My Own Room) and Superior rooms will be booked for Twin/Double occupancy. This information also relates to any Pre/Post night bookings at Hotel Cabin.

6. OPTIONAL ACTIVITIES NOTE:

During high season in Europe (May-October) we highly recommend booking reservations for any popular optional activities/museum tickets etc. in advance to avoid encountering sold-out activities on the ground while on tour.

Group Leader Description

This G Adventures group trip is accompanied by one of our group leaders, known as a CEO (Chief Experience Officer). The aim of the group leader is to take the hassle out of your travels and to help you have the best trip possible. They will provide information on the places you are travelling through, offer suggestions for things to do and see, recommend great local eating venues and introduce you to our local friends. While not being guides in the traditional sense you can expect them to have a broad general knowledge of the countries visited on the trip, including historical, cultural, religious and social aspects.

Group Size Notes

Max 14, avg 12

Meals Included

4 breakfasts, 2 lunches, 2 dinners

Meals

Please be very specific about your food preferences and allergies as included dinners contain onion, mushrooms, fish etc.

Transport

Private vehicle, walking.

About our Transportation

Private van/mini-buses are used on this trip.

Solo Travellers

We believe solo travellers should not have to pay more to travel so our group trips are designed for shared accommodation and do not involve a single supplement. Single travellers joining group trips are paired in twin or multi-share accommodation with someone of the same sex for the duration of the trip. Some of our Independent trips are designed differently and solo travellers on these itineraries must pay the single trip price.

Accommodation

Hotels (4 nts).

Rooming and "My Own Room" Exceptions

Please note that if you have booked the "My Own Room" option for this tour, you will receive your own single accommodation for all night stops, with the following exceptions: Night 2 and night 3 at the guest house.

About Accommodation

On this trip you can expect to stay in small family-run hotels or pensions (with the exception of the start and finish hotels, which are often larger city hotels), which will vary a little in standard and facilities: some may not have elevators, air-conditioning or English-speaking staff, but most importantly all are locally-run, with some traditional character, and in excellent central locations to give you maximum time for exploring the sights. You can expect to find clean, safe, simple accommodation in convenient locations.

Note that most accommodation in Europe does not have air conditioning units in rooms. Air conditioning is not routinely installed in European homes and workplaces. However, nearly all hotels will provide a standing or desk fan for your room on hot nights. If you do not already have one in your room, please ask your CEO to organize one for you with reception.

When you arrive at Keflavik International Airport (KEF), you have a few options to reach your hotel:

Depending on your arrival time and preferences you can get a direct transfer, or one with a change, at the Reykjavik Terminal (Skógarhlíð 10, Reykjavík). These cost between approx. ISK 4000 and ISK 7000.

Fly Bus Shuttles: <https://www.re.is/tour/flybus/>

In the exit hall of the airport, you'll find the counter for Fly Bus shuttles. You can book in advance, buy Flybus tickets at the counter in the arrivals lounge of Keflavik Airport, or on the bus if you really don't mind leaving things to the last minute. Larger shuttle buses will take you to a bus terminal outside Reykjavik initially. From there, you'll transfer to smaller buses that will take you directly to your hotel. These cost between approx. ISK 4000 and ISK 7000.

Taxi Transfer: <https://airportdirect.is/>

Taxis are available as well, with fares generally ranging between USD 100 to USD 200. To ensure a smooth experience, you can pre-book a taxi with Airport Direct.

Joining Instructions at the Hotel

Please note that day 1 is an arrival day and no activities have been planned on this day.

Upon arrival to your Joining Hotel (note that check-in time will be in the afternoon), look for a note or bulletin board in the reception with a note from your CEO. This note will give the details of your Welcome Meeting on day 1 (usually between 5pm and 7pm), where you will get a chance to meet your CEO and other travellers, as well as learn more about how the tour will run. If you don't see a note, please ask reception for details!

If you are arriving later and will miss the Welcome Meeting, your CEO will leave a note at reception for you with any information you may need, and with morning instructions for the next day.

Arrival Complications

We don't expect any problems, and nor should you, but if for any reason you are unable to commence your trip as scheduled, please refer to the emergency contact details provided in this dossier and contact us as soon as possible. If you have a pre-booked transfer, and you have not made contact with our representative within 30 minutes of clearing customs and immigration, we recommend that you make your own way to the Starting Point hotel, following the Joining Instructions. Please apply to your travel agent on your return for a refund of the transfer cost if this occurs.

An Icelandic summer is also not what most people consider as summer temperature and in the highlands it can get quite cold.

Visas and Entry Requirements

All countries require a valid passport (with a minimum 6 months validity). Contact your local embassy or consulate for the most up-to-date visa requirements, or see your travel agent. It is your own responsibility to have the correct travel documentation. Visa requirements for your trip will vary depending on where you are from and where you are going. We keep the following information up to date as far as possible, but rules do change and sometimes without warning. While we provide the following information in good faith, it is vital that you check the information yourself and understand that you are fully responsible for your own visa requirements.

Visa information specific to your destination and nationality can be found in our Important Pre-Departure Information page [here](#)

Spending Money

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

Money Exchange

The currency in Iceland is the Icelandic Krona (ISK).

It is recommended to bring a combination of cash, credit and debit cards.

Emergency Fund

Please also make sure you have access to at least an additional USD \$200 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

Tippling

Tippling in Iceland is not customary. In many cases, a service charge is added to the bill which means that it is not necessary to add a tip. If you wish to express your satisfaction with the service in a bar or restaurant, then a gratuity of 10% or to round up the amount of the bill is perfectly acceptable.

Tippling during the tour program is similarly not expected, but it can be a way to express satisfaction with the persons who have assisted on your tour. Recommendations for tippling local guides would range from the equivalent of \$3-5 USD per day depending on the quality and length of the service; ask your CEO for specific recommendations based on the circumstances and culture.

At the end of each trip if you felt your G Adventures CEO did an outstanding job, tippling is appreciated. The amount is entirely a personal preference, however as a guideline €30-40 per person, per week can be used.

Optional Activities

Grindavik

- Blue Lagoon Visit (35-165EUR per person)

Reykjavik

- Whale Watching From Reykjavik Harbour (10990ISK per person)

Sólheimajökull

- Sólheimajökull Glacier Hike

Health

Please note inoculations may be required for the country visited. It is your responsibility to consult with your travel doctor for up to date medical travel information well before departure.

You should consult your doctor for up-to-date medical travel information well before departure. We recommend that you carry a First Aid kit and hand sanitizers / antibacterial wipes as well as any personal medical requirements. Please be aware that quite often we are in remote areas and away from medical facilities, and for legal reasons our leaders are prohibited from administering any type of drug including headache tablets, antibiotics, etc. When selecting your trip please carefully read the brochure and itinerary and assess your ability to cope with our style of travel. Please refer to the Physical and Culture Shock ratings in this dossier for trip specific information. For travellers over 70 years a completed Medical Form is required. G Adventures reserves the right to exclude any traveller from all or part of a trip without refund if in the reasonable opinion of our CEO they are unable to complete the itinerary without undue risk to themselves and/or the rest of the group.

Safety and Security

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your group leader has the authority to amend or cancel any part of the trip itinerary if it deemed necessary, due to safety concerns. Your Chief Experience Officer (CEO) will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy and explore at your leisure. While your CEO will assist you with options available in a given location, please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgement when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards), have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s).

Swimming, including snorkeling, is always at your own risk. [Read more about travel safety](#) for ways to further enhance your personal safety while traveling.

A Couple of Rules

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter and in particular the local people who make the world the special place it is. The exploitation of people in the sex trade is completely contrary to this philosophy. Our CEOs have the right to expel any member of the group if drugs are found in their possession or if they utilize the services of paid sex workers, in any capacity.

Travel Insurance

Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your leader, who will take note of your insurance details. When selecting a travel insurance policy we require that at a minimum you are covered for medical expenses including emergency evacuation and repatriation. A minimum coverage of USD200,000 is required. G Adventures can provide you with the appropriate coverage. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. Some tours include adventure activities that require extra coverage (e.g. crampon use); please review your itinerary and make sure that you are covered for all included activities. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.
