Day 4 Rio de Janeiro

Head out to the Sambadrome to watch the parade. Marvel at the sights and sounds of Carnival and dance the night away with new friends.

Take it slow today because the parade literally lasts all night. This evening between 6-7:30 we transfer to the Sambodrome where we have reserved seats in section 5. Your CEOs will accompany you throughout the evening and after the parade you'll transfer back to your hotel.

Samba Schools is an association of people from the same neighbourhood or community (favela) who get together on a regular basis for samba meetings and rehearsals. Samba Schools provide valuable jobs to the community in the production of costumes and floats. Each year, schools choose a different theme

and may take to the parade from 3,000 to 5,000 members, and 6 to 8 floats. They have to make it through the runway in a period from 60-80 minutes, which means each member will spend only about 25-30 minutes inside the Sambodrome.

Carnival Parade

Rio de Janeiro

The Samba Schools Parade is something that everybody has to experience at least once. We watch the parade from inside the Sambadrome, marvelling at the outrageous costumes, arresting beats, and soulful rhythm of this incredible competition. Cheer on a favourite samba school as their floats make their way past you down the samba runway in an unbelievable parade of colour, movement and sound that lasts all night. When Carnival magic takes over, the Sambodrome is the setting for the greatest show on earth.

Meals included: Breakfast

Day 5 Rio de Janeiro

Itinerary Disclaimer

While it is our intention to adhere to the route described below, there is a certain amount of flexibility built into the itinerary and on occasion it may be necessary, or desirable to make alterations. The itinerary is brief, as we never know exactly where our journey will take us. Due to our style of travel and the regions we visit, travel can be unpredictable. The Trip Details document is a general guide to the tour and region and any mention of specific destinations or wildlife is by no means a guarantee that they will be visited or encountered. Aboard expedition trips visits to research stations depend on final permission.

Additionally, any travel times listed are approximations only and subject to vary due to local circumstances.

Group Leader Description

All G Adventures group trips are accompanied by one of our Chief Experience Officers (CEO). The aim of the CEO is to take the hassle out of your travels and to help you have the best trip possible. They will provide information on the places you are travelling through, offer suggestions for things to do and see, recommend great local eating venues and introduce you to our local friends. While not being guides in the traditional sense you can expect them to have a broad general knowledge of the countries visited on the trip, including historical, cultural, religious and social aspects. We also use local guides where we think more specific knowledge will add to the enjoyment of the places we are visiting- we think it's the best of both worlds.

Group Size Notes

G party with around 80 like minded G travellers.

Meals Included

5 breakfasts

Meals

Eating is a big part of traveling. Travelling with G Adventures you experience the vast array of wonderful food that is available out in the world. Generally meals are not included in the trip price when there is a choice of eating options, to give you the maximum flexibility in deciding where, what and with whom to eat. It also gives you more budgeting flexibility, though generally food is cheap. Our groups tend to eat together to enable you to taste a larger variety of dishes and enjoy each other's company. There is no obligation to do this though. Your CEO will be able to suggest favourite restaurants during your trip.

Transport

Public bus, private van, taxi.

Solo Travellers

We believe solo travellers should not have to pay more to travel so our group trips are designed for shared accommodation and do not involve a single supplement. Single travellers joining group trips are paired in twin or multi-share accommodation with someone of the same sex for the duration of the trip. Some of our Independent trips are designed differently and solo travellers on these itineraries must pay the single trip price.

Visas and Entry Requirements

All countries require a valid passport (with a minimum 6 months validity). Contact your local embassy or consulate for the most up-to-date visa requirements, or see your travel agent. It is your own responsibility to have the correct travel documentation. Visa requirements for your trip will vary depending on where you are from and where you are going. We keep the following information up to date as far as possible, but rules do change and sometimes without warning. While we provide the following information in good faith, it is vital that you check the information yourself and understand that you are fully responsible for your own visa requirements.

Visa information specific to your destination and nationality can be found in our Important Pre-Departure Information page [here](#)

Spending Money

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

Emergency Fund

Tipping

It is customary in Latin America to tip service providers such as waiters, and local guide(s) at approximately 10%, depending on the service. Tipping is an expected - though not compulsory - component of your tour program and an expression of satisfaction with the persons who have assisted you on your tour. Although it may not be customary to you, it is of considerable significance to the people who will take care of you during your travels. At the end of each trip if you felt your G Adventures CEO did an outstanding job, tipping is appreciated. The amount is entirely a personal preference, however as a guideline \$20-25 USD per person, per week can be used.

Optional Activities

- Rio de Janeiro
- Favela Tour (110BRL per person)
- Rio Hang Gliding (780BRL per person)

Safety and Security

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your group leader has the authority to amend or cancel any part of the trip itinerary if it deemed necessary, due to safety concerns. Your Chief Experience Officer (CEO) will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy and explore at your leisure. While your CEO will assist you with options available in a given location, please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgement when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards), have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s).

Swimming, including snorkeling, is always at your own risk. [Read more about travel safety](#) for ways to further enhance your personal safety while traveling.

A Couple of Rules

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter and in particular the local people who make the world the special place it is. The exploitation of people in the sex trade is completely contrary to this philosophy. Our CEOs have the right to expel any member of the group if drugs are found in their possession or if they utilize the services of paid sex workers, in any capacity.

Travel Insurance

Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your

leader, who will take note of your insurance details. When selecting a travel insurance policy we require that at a minimum you are covered for medical expenses including emergency evacuation and repatriation. A minimum coverage of USD200,000 is required. G Adventures can provide you with the appropriate coverage. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. Some tours include adventure activities that require extra coverage (e.g. crampon use); please review your itinerary and make sure that you are covered for all included activities. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.
