The route through the highlands is a remote road that passes by Mt. Hekla. Often shrouded in cloud, this volcano was once believed to be the entrance to hell by early Icelanders. The road gets progressively more rocky as it climbs up to Landmannalaugar, the campsite for the night. At Landmannalaugar, there are hot springs and bathroom facilities to make the camping experience more comfortable. As this is the first night of camping, you will get a lesson in how to put up your tent as practise for the rest of the week.

Itinerary Disclaimer

While it is our intention to adhere to the route described below, there is a certain amount of flexibility built into the itinerary and on occasion it may be necessary, or desirable to make alterations. The itinerary is brief, as we never know exactly where our journey will take us. Due to our style of travel and the regions we visit, travel can be unpredictable. The Trip Details document is a general guide to the tour and region and any mention of specific destinations or wildlife is by no means a guarantee that they will be visited or encountered.

Additionally, any travel times listed are approximations only and subject to vary due to local circumstances.

Itinerary Notes

Please note that the weather near the Arctic Circle can be variable. Occasionally this will mean that we need to amend our itinerary to keep you safe. We will always endeavour to deliver a tour as close to the itinerary described as possible and ensure you see as much as possible, despite any bad weather.

Important Notes

1. It is important to note that in Europe, all guiding is based around local guides all of whom are licensed to work only in a particular city. As such, our leaders are able to provide orientation walks which will show you the layout of each town and city as well as the location of local services such as post offices and laundromats, but are unable to legally share historical facts and figures in public places.
2. In Europe it is very rare to find elevators in train stations, hotels or other public places. We use public transport on this trip, which means you will need to carry your luggage from platform to platform, in and out of trains and buses etc. and also possibly up several flights of stairs. You will also need to be able to stow your luggage safely on trains and buses. It is therefore essential that you pack light and bring luggage which is compact and lightweight, and which you can easily transport.
3. If you wish to visit the Blue Lagoon, please know that this activity must be done before or after your tour. As this activity is very popular, we recommend booking it in advance.

Group Leader Description

This G Adventures group trip is accompanied by one of our group leaders. The aim of the group leader is to take the hassle out of your travels and to help you have the best trip possible. They will provide information on the places you are travelling through, offer suggestions for things to do and see, recommend great local eating venues and introduce you to our local friends. While not being guides in the traditional sense you can expect them to have a broad general knowledge of the countries visited on the trip, including historical, cultural, religious and social aspects.

Group Size Notes

Max 14, Avg 10

Meals Included

6 breakfasts, 4 lunches, 4 dinners

Meals

Travellers will have a variety of food options to choose from before starting the hiking portion of the tour. During the hike, the meals will be prepared by the CEO and group members, with direction being given by the CEO. Breakfast is typical continental fair adapted to the rustic conditions of highland camping. Each traveller prepare his/her own lunch and snacks for the day from the breakfast table, along with some energizing trail mix. Dinner is a warm meal, meat, pasta or fish. Travellers are welcome to bring along some of their own beverages (alcoholic or non-alcoholic) and have on the luggage trailer between camps.

Transport

Private bus, walking.

About our Transportation

While trekking the majority of your luggage will be transported via vehicle to your next destination.

Local Flights

If required all local flights are included in the cost of your tours unless otherwise noted. It is important that we have your passport information at the time of booking in order to process these tickets. Internal flight tickets are issued locally and will be given to you prior to the flight departure.

Solo Travellers

We believe single travellers should not have to pay more to travel so our group trips are designed for shared accommodation and do not involve a single supplement. Single travellers joining group trips are paired in twin or multi-share accommodation with someone of the same sex for the duration of the trip. Some of our Independent trips are designed differently and single travellers on these itineraries must pay the single trip price.

Accommodation

Hostels (2 nts, multi-share), participation camping (4 nts)

About Accommodation

Camping in Iceland is truly an adventure, taking you off the beaten track to get a first-hand experience of the beautiful wilderness and nature. While camping, we stay at designated campsites along the trek

route. The campsites have basic facilities such as toilets, showers, and drinking water. For the group, there is a big dining tent and sometimes an extra cooking tent. On the first day, you will be guided through setting up your personal tents, which should be easy to manage for the rest of the nights. As part of the experience, you may be required to help with cooking dinner/washing up.

If you intend to use the showers or charge your electronics you will need to bring some coins with you. There are showers at all the campsites, however they cost 500 ISK for 5 minutes, payable only in coins. Bear in mind that early and late season tours may not have the luxury of showers or flush-toilets due to ground frost. The wardens can often charge some of your electronics for a fee of 500 ISK (The electrical current is 220V AC 50Hz. Most plugs are of the European two-pin type).

Each campsite visited on this tour will include a tent (twin-share) and a sleeping mat for every traveller (travellers are responsible for their own sleeping bags). All of the campsites we use are equipped with western flush-toilets. Along the trail, we pass through two other campsites with similar toilet facilities, on the first and second days. During the early and late season trips, these plumbing facilities may be out of order due to ground frost, in which case, the replacement will be to use outhouses. Between campsites, the "call of nature" can be answered according to the leave-no-trace rules of wilderness travel. Toilet paper must be buried, burned, or carried out.

For passengers travelling as couples, we use multi-share hostels, and couples will likely be split into separate rooms.

Joining Hotel

For details of your joining hotel please refer to your tour voucher, G Account, the G Adventures App or contact your travel agent.

Joining Instructions

Please note that day 1 is an arrival day and no activities have been planned on this day. Upon arrival to the city on day 1 (or earlier if you have booked pre-accommodation), please make your way to the joining hotel (note that check-in time will be in the afternoon). Once you arrive at the hotel, look for a note or bulletin board in the reception with a note from your CEO. This note will give the details of your Welcome Meeting on day 1 (usually between 5pm and 7pm), where you will get a chance to meet your CEO and other travellers, as well as learn more about how the tour will run. If you don't see a note, please ask reception for details!

If you are arriving later and will miss the Welcome Meeting, your CEO will leave a note at reception for you with any information you may need, and with morning instructions for the next day.

GETTING TO Hlemmur Square Hostel:

From Keflavík International Airport:

Upon exiting the airport, there are shuttle bus services available. The Flybus is recommended and pricing is as follows:

Return ticket to go directly to the hotel: 6950 ISK per person
One way ticket to go directly to the hotel: 3950 ISK per person

Please note that a larger shuttle bus will drive you to the Bus Terminal first, and travellers will get split into smaller busses depending on which hotel they are going to.

Arrival Complications

We don't expect any problems, and nor should you, but if for any reason you are unable to commence your trip as scheduled, as soon as possible please contact your starting point hotel, requesting that you speak to or leave a message for your CEO (if you are not on a group tour please refer to the emergency contact details provided in this dossier). If you are unable to get in touch with your leader, please refer to our emergency contact details.

What to Take

We recommend using a backpack for your convenience, or a medium-sized luggage if you prefer. Space is limited on transportation, so there is a limit of one main piece of luggage per person. Luggage will be transported by vehicle during your treks. You must be prepared to carry your luggage up and down stairs, as well as on and off transportation. You should be able to fit everything you will need into a 30-35litre rucksack.

We recommend bringing a day pack to help carry your lunch, water bottle, medication, sunglasses, river crossing shoes, rain gear, and other items or clothing you might need for the day.

Dressing in layers is recommended as weather can change dramatically, without notice.

You are able to rent the following:

- Sleeping bag rental: 1000 ISK per day, total 6000 ISK for the whole tour
- Hiking boots: 1000 ISK per day, total 6000 ISK for the whole tour
- Waterproof jacket or pants: 1000 ISK per day, total 6000 ISK for the whole tour

The optimum clothing for trekking is layering, as it allows for easy temperature regulation as you ascend or descend. We suggest a base-layer, then a mid-layer such as a sweater, followed by a fleece jacket or similar, then a windproof and waterproof jacket. For your bottom half, thermal underwear, hiking pants then windproof and waterproof layers are recommended.

Note: The landscape of Iceland is unique and unlike most things you've seen. So is the weather. It is unpredictable and changeable, so be prepared to experience a variety of conditions during your time in Iceland. It's not uncommon to experience rain, sun wind and snow all in the same visit, so please pack accordingly. An Icelandic summer is also not what most people consider as summer temperature and in the highlands it can get quite cold.

Visas and Entry Requirements

All countries require a valid passport (with a minimum 6 months validity). Contact your local embassy or consulate for the most up-to-date visa requirements, or see your travel agent. It is your own responsibility to have the correct travel documentation. Visa requirements for your trip will vary depending on where you are from and where you are going. We keep the following information up to date as far as possible, but rules do change and sometimes without warning. While we provide the following information in good faith, it is vital that you check the information yourself and understand that you are fully responsible for your own visa requirements.

Visa information specific to your destination and nationality can be found in our Important Pre-Departure Information page [here](#)

For other nationalities, travelling in Europe has been simplified with the introduction of the Schengen visa. As a visitor to the Schengen area (Austria, Germany, Netherlands, Belgium, Greece, Norway, Denmark, Iceland, Portugal, Finland, Italy, Spain, France, Luxembourg, Sweden, Czech Republic, Hungary, Estonia, Latvia, Lithuania, Malta, Poland, Slovakia, Slovenia and Switzerland) you will enjoy the many advantages of this unified visa system. Generally speaking with a Schengen visa, you may enter one Schengen country and travel freely throughout the Schengen region during the validity of your visa. There are limited border controls at Schengen borders, if any at all.

Please note that the UK and Ireland are NOT part of the Schengen agreement.

A Schengen visa is applied for at the Embassy or Consulate of the Schengen country in which you will be spending the most nights on your trip to the Schengen space. If you are only visiting one country on your trip then you apply for your visa at the Consulate of this Schengen country.

Spending Money

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

Money Exchange

The unit of currency in Iceland is the Krona.

Credit cards and debit cards are very useful for cash advances but you must remember to bring your PIN number (be aware that many ATM machines only accept 4-digit PINs). Both Cirrus and Plus system cards are the most widely accepted debit cards. Visa cards are the most widely accepted credit cards. While ATMs are commonly available, there are no guarantees that your credit or debit cards will actually work

in Iceland - check with your bank. You should be aware when purchasing products or services on a credit card, that a fee usually applies.

Do not rely on credit or debit cards as your only source of money. A combination of Krona and cards is best.

Always take more rather than less, as you don't want to spoil the trip by constantly feeling short of funds.

As currency exchange rates can fluctuate often we ask that you refer to the following website for daily exchange rates: www.xe.com

Emergency Fund

Please also make sure you have access to at least an additional USD \$200 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

Tipping

Tipping in Iceland is not customary. In many cases, a service charge is added to the bill which means that it is not necessary to add a tip. If you wish to express your satisfaction with the service in a bar or restaurant, then a gratuity of 10% or to round up the amount of the bill is perfectly acceptable.

Tipping during the tour program is similarly not expected, but it can be a way to express satisfaction with the persons who have assisted on your tour. Recommendations for tipping local guides would range from the equivalent of \$3-5 USD per day depending on the quality and length of the service; ask your CEO for specific recommendations based on the circumstances and culture.

At the end of each trip if you felt your G Adventures CEO did an outstanding job, tipping is appreciated. The amount is entirely a personal preference, however as a guideline €30-40 per person, per week can be used.

Optional Activities

No optional activities

Health

Please note inoculations may be required for the country visited. It is your responsibility to consult with your travel doctor for up to date medical travel information well before departure.

You should consult your doctor for up-to-date medical travel information well before departure. We recommend that you carry a First Aid kit and hand sanitizers / antibacterial wipes as well as any personal medical requirements. Please be aware that quite often we are in remote areas and away from medical facilities, and for legal reasons our leaders are prohibited from administering any type of drug including headache tablets, antibiotics, etc. When selecting your trip please carefully read the brochure and itinerary and assess your ability to cope with our style of travel. Please refer to the Physical and Culture Shock ratings in this dossier for trip specific information. For travellers over 70 years a completed Medical Form is required. G Adventures reserves the right to exclude any traveller from all or part of a trip without refund if in the reasonable opinion of our CEO they are unable to complete the itinerary without undue risk to themselves and/or the rest of the group.

Safety and Security

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your CEO has the authority to amend or cancel any part of the trip itinerary if it is deemed necessary due to safety concerns. Your CEO will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy or explore at your leisure. While your CEO will assist you with options available in a given location please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgment when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions.

Protests and Demonstrations- Protests and demonstrations, even those that are well intended, have the potential to turn violent with no warning. Counter protests can also turn violent. Action by security forces to disperse demonstrators and protesters may occur at any time. If you are in an area where demonstrators or protesters are gathering, avoid the temptation of staying for a good photo opportunity and leave the area immediately.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards) have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s).

Swimming, including snorkeling, is always at your own risk.

We take all prudent measures in relation to your safety. For ways to further enhance your personal safety while traveling, please visit:

www.gadventures.com/travel-resources/safety/

A Couple of Rules

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter, and in particular the local people who make the world the special place it is. The exploitation of prostitutes is completely contrary to this philosophy. Our CEOs have the right to expel any member of the group if drugs are found in their possession or if they use prostitutes.

Travel Insurance

Travel Insurance: Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your CEO, who will take note of your insurance details. When selecting a travel insurance policy please bear in mind that all clients must have medical coverage and that we require a minimum coverage of USD 200,000 for repatriation and emergency rescue. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.
